

46th City Council District

Alan Maisel (D, WF)

I am Alan Maisel and I am asking for your vote for City Council. For more years than I can remember, I have been active in the neighborhoods of our community. I served as a Community Board Member, working on problems facing our communities. I was President of a Community School Board, and have long been involved in neighborhood organizations. Professionally I was a public school teacher and Assistant Principal. For the last seven years, I've had the honor of being a State Assembly Member. I've enjoyed being an Assemblyman, and I've worked hard to reform Albany. I'm proud of the reputation I have earned for getting results. But, my priority has always been the well-being of people and their neighborhoods. I know that I can solve more local problems, secure more funds for community improvements, and have a far greater impact on the quality of life in our neighborhoods as a Council Member. That's why I'm running for the City Council. As your Council Member, I will continue working to make our lives safer, improve education in our schools, and make our neighborhoods better places to live, work and raise a family. As your Council Member, I will work to make sure the City budget continues to fund services for our seniors and our youth, and improvements in our local parks. And I will fight to make sure we have on-time, balanced City budgets that protect our essential services without raising our taxes. I look forward to serving you as your full-time, problem-solving Council Member, and I'd be honored to have your vote.
