

I do not know the CFB rules as closely as you do, but from what I do know, it seems like Gifford Miller is pulling yet another fast one on taxpayers and I hope you will punish him to the fullest extent of the law to ensure these kinds of political games are stopped. Even if he just violated the spirit of the law, he should be publicly chastised in a very serious way.

Our electoral process is already sufficiently corrupt without Gifford having to invent new ways to scam taxpayers and voters.

In fact, candidates shouldn't be able to exempt ANY of the costs of petitioning, nevermind that they obviously all use it to simultaneously CAMPAIGN.

This one's a no-brainer, guys.
